4. **Casino Visit Discussion:** Address the 1.5 hour visit to Emperors Palace Casino on a Monday night
5. **Work Hours Abuse:** Address 4.7 hours lost to suspicious locations during scheduled work hours (5 days identified)
6. **Nov 10 Investigation:** Discuss why employee spent 2.5 hours at Modderfontein Conservation Area instead of Lawley site
7. **Unauthorized Overnight Stays:** Address 6 consecutive nights at Potchefstroom instead of authorized Carletonville Guesthouse
8. **Accommodation Policy:** Clarify authorized overnight locations and enforce compliance
9. **Policy Enforcement:** Implement GPS geofencing alerts for authorized areas only
10. **Enhanced Monitoring:** Set up real-time alerts for after-hours and weekend usage

Long-term Recommendations:

1. **Update Vehicle Policy:** Clear definition of authorized use with penalty structure
2. **Technological Controls:** Automatic reporting of unauthorized stops >30 minutes
3. **Proximity Alerts:** Flag when vehicle is parked near entertainment venues
4. **Work Hours Monitoring:** Daily reports comparing time at work sites vs suspicious locations
5. **Overnight Location Tracking:** Daily automated check of where vehicle stayed overnight
6. **Accommodation Compliance:** Alert when vehicle not at authorized overnight location by 20:00
7. **Productivity Tracking:** Alert if less than 6 hours spent at authorized work sites on weekdays
8. **Regular Audits:** Monthly vehicle usage reviews with proximity, work hours, and overnight analysis
